[Redacted] date of birth [Redacted] social security account number [Redacted] cellular telephone number [Redacted] address of [Redacted]

Milwaukee, Wisconsin 53221 was interviewed at his residence. After being advised of the identity of the interviewing Agents and the nature of the interview, [Redacted] provided the following information:

On August 8, 2012, at approximately 7:25 p.m., [Redacted] was driving east bound on I-94 from the State Fair grounds toward downtown Milwaukee, Wisconsin. At approximately 25th Street, [Redacted] observed the subject, who was driving a dark green vehicle, which resembled a van, drive past [Redacted]

Soon after the subject drove past [Redacted] the subject slowed down and motioned to [Redacted] to slow down as well. [Redacted] slowed down and rolled down his passenger side window because the subject was on his right side. [Redacted] thought that the subject might be asking for directions. Immediately after [Redacted] rolled down his window, the subject made a gun gesture with both of his hands and simultaneously made noises that sounded like a gun firing.

In addition, the subject moved his hands as though he was cutting his throat.

In response, [Redacted] asked the subject what was wrong with him, to which the subject said "we will kill all of you." The subject then proceeded to point to the business sign on the driver side of the vehicle to show [Redacted] who he was. [Redacted] informed the subject that he was going to call 911, at which point, the subject drove away quickly. [Redacted] called the police department and reported the subject's license plate. [Redacted] believed the entire interaction was about thirty seconds long.

[Redacted] was shown three different photographs of an individual named [Redacted] (see attachments); however, [Redacted] was not entirely certain that the photographs were the subject and [Redacted] wanted to make sure he identified the correct individual.

The subject had [Redacted] The subject was wearing a sleeveless shirt, which was [Redacted] The subject also had a goatee similar in color to [Redacted] in the second photograph (see Attachments). The subject was not wearing a hat or sunglasses. The subject appeared to be about [Redacted] years old,

muscular, and approximately 170 pounds. said the subject looked like a "tough guy."

Once heard the subject say that he would "kill all of you," immediately thought that it must be the same shooter from the Oak Creek shooting or that it was a member of the same group as the shooter in Oak Creek. believed that the subject appeared to be a little smaller than the shooter from Oak Creek. Since thought the subject might be a member of the same group, he decided to call the police and report it right away, which he did. provided 911 with the license plate number of the subject's vehicle but was unable to read the sign on the driver side of the subject's vehicle.

stated that he was not angry about this interaction with the subject but that he was more afraid. If the subject had a gun, the subject could have shot five or six times. It would have been very easy for the subject to have killed someone, if he had a gun. All he would have to do is slow down and shoot.

On August 10, 2012, shortly after the in-person interview, SA called to inquire about the vehicle he was driving on August 8, 2012. provided the following information:

drove a , did not remember the license plate for , so he instructed SA to call an individual at who was driving the that drove on August 8, 2012. called and was informed by date of birth that had a Wisconsin license plate, number

also stated that he did not cut off the subject and that they were driving approximately fifty-five to sixty miles per hour or less.
