Thanks for these - we just got out of a conference - said he'll touch base with you when he's got a free minute (probably be tomorrow), he had to do an unexpected interview that took quite a while.

Thanks again for all your assistance with this - you guys rock.

Here are the articles (I'm assuming these are the ones the AUSA wanted) - I've still got to write the
302 and get them into Sentinel. When you have a minute, do you mind giving me a call so I can figure out what you need for the AUSA and what we can do to help.

Good luck with everything up there.

Thanks,
